Brainstorm a series of genres for novel.

1. Romance - a classic love story between two characters overcoming obstacles to be together
2. Mystery - a story filled with twists and turns, where the protagonist must solve a puzzling crime or unexplained phenomenon
3. Thriller - a fast-paced story with high stakes, where the protagonist is in danger and must escape or thwart a dangerous villain
4. Science fiction - a story set in the future or in a different world with advanced technology and/or alien beings
5. Fantasy - a story set in a fictional world with magic and mythical creatures
6. Historical fiction - a story set in the past, where fictional characters interact with real historical figures or events
7. Horror - a story that focuses on fear, terror, and the supernatural
8. Drama - a story that explores complex human emotions and relationships, often in a realistic or gritty setting
9. Comedy - a story that aims to entertain and make the reader laugh, often through clever wordplay or satire
10. Young adult - a story that appeals to a teenage audience, often dealing with issues such as coming of age, identity, and relationships.
